Mr. Walt Townes
Executive Director
Vote 18
226 Varick Street, 2nd Floor
New York, NY 10014

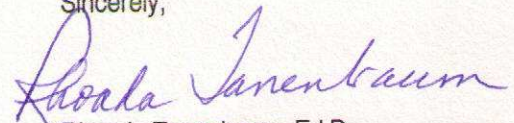

Dear Walt,

My students and I would like to express our appreciation for your program last week.

Your interactive presentation on the history and value of just 'one vote' made a strong impression on them. Hopefully, this will extend into their personal lives and make them become more informed and more involved in the political process!

Thank you for your enthusiastic presentation.

Sincerely,

Rhoda Tanenbaum, Ed.D.
