Wow! I thought it was fantastic!

Walter's program was great. The kids responded very well to him and to Greg. I asked a few of them today, and they said they loved it! Yes, Walter should come every year!

I am rushing to write a paper to deliver tomorrow in NYC... won't get the photos until next week. I hope that's okay!

All the best and MANY MANY THANKS FOR ALL THAT YOU ALL DID FOR US! I can't believe how lucky I am to get to know such cool committed people!

Cheers! Sally
